

CL3050W/S

FEATURES

- Legacy product image shown; actual product varies slightly.
- Store reds and whites in separate temperature zones that keep wines at proper serving temperatures, within one degree of setpoint
- Offers any-occasion 146-bottle capacity
- Full-extension wine racks provide easy access to standard-size bottles, half bottles, and magnums without agitating others
- Touch control panel is conveniently located for easy access at the tap of a finger
- UV-resistant glass door shields wine from harmful light
- Inventory tile system aids collection organization
- Use our convenient Owner's App to remotely control temperature zones, be notified of a door left ajar, or receive remote diagnostics
- Stainless-steel exterior and tubular or pro handles to match other Sub-Zero, Wolf, and Cove products
- Sub-Zero offers an industry-leading full two-year warranty on appliances, along with a full five-year sealed system warranty
